

# As Time Goes By

Carly Simon

You must remember this  
A kiss is still a kiss  
A sigh is just a sigh  
The fundamental things apply  
As time goes by And when two lovers woo  
They still say, "I love you"  
On that you can rely  
No matter what the future brings  
As time goes by Moonlight and love songs never out of date  
Hearts full of passion, jealousy and hate  
Woman needs man  
And man must have his mate  
That no one can deny It's still the same old story  
The fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by But it's still the same old story  
The fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by You better believe it when I tell you that I mean it  
Of all of the gin joints and you had you to walk into mine  
You played it for him, now you got to play it for me  
Play it Stevy As time goes by
