Transmission Listen

Helado Negro

And I feel invincible
Without your wisdom but I feel invisible
Without your wit and there's no easy way
For me to make
This transmission
So I'll sit up high and wait for you
To blink
I'm fond of you but I don't believe you
And you'll lie to me
And I'll lie to you
And come caress me cause you'll be gone
And come undress me don't take to long it's not your kindness
That I want so try and stop me from getting what I want
And it dosn't mean
We gotta stop talking
Now ill fall asleep
Right here with you
And I feel invincible
Without your wisdom but I feel invisible
Without your wit and there's no easy way
For me to make
This transmission
So I'll sit up high and wait for you
To blink
And blink once if you know me and blink twice
If you heard me and blink again if you love me
And come caress me cause you'll be gone
And come undress me don't take to long it's not your
Kindness that I want so try and stop me from getting what I want
Ill try to stop you from getting what you want we'll be the only fools
Who last way to long
We'll be stuck here the very last ones
Ooh
