Here In My Heart

Chicago

I keep on thinking I should be free
This time just sleepin' alone
With 17 reasons not to believe
Nothing goes everybody knows
Like you always wanted to be
But here in my heart there's a dream that's unbroken
And it gets in my way, but it won't be denied
Here in my heart the door is still open
Waiting for you to walk into my life
What I've been feeling I can't explain
Lost in the blues of your eyes
And I'm falling so hard just like the rain
Comes a time when you cross the line
And you know you got to believe
'Cause here in my heart there's a dream that's unbroken
And it gets in my way but it won't be denied
Here in my heart the door is still open
Waiting for you to walk into my life
I know I may never sleep again
Till I see you oh baby I know
I know life is too short and I can't pretend
It's not about you can't do without you
(Not about you)
But here in my heart there's a dream that's unbroken
And it gets in my way but it won't be denied
(Gets in my way)
Here in my heart the door is still open
(Here in my heart)
Waiting for you to walk into my life
There's a dream that's unbroken
It gets in my way but it won't be denied
Here in my heart the door is still open
(Here in my heart)
Waiting for you to walk into my life
In my life
(In my life)
In my life
(In my life)
