

Night Rolls In

Al Stewart

CHORUS

Night rolls in
Gone is the wind
Fireflies dancing in your eyes
Now you're holy again
Oh night rolls in
Oh night rolls in
It's like a dream of a long time ago
A footprint lost in the snow
That covers the ground where we summered our lives
Watching them grow
>From seeds that you sow
But now the world in all its works and ways
Grays our Novembering days
The fire still glows
That once was a rose
A long time ago
CHORUS
