

# The Devil

## Traveling Wilburys

As soon as I'm left alone  
The Devil wanders into my soul  
    And I pretend to myself  
    And I pretend to myself  
I go out to the old milestone  
Insanely expecting you to come there knowing  
    That I wait for you there  
    That I wait for you there  
        Come, come  
        Come here at once  
        Come, come  
On a night with no moon  
    Because all of my being  
    Is now in pining  
    All of my being  
    Is now in pining  
What finally cheered me  
    Now seems  
    Insignificant  
    Insignificant
