

See Thru You

Flunk

Everybody loves the way, they do
Oh, everybody cares a lot, they do
Everybody knows our love will do
And they'll see through youEverybody loves the way, they do
Oh, everybody cares a lot, they do
Oh, everybody knows our love will do
And they'll see through youNo one ever knows how I love you
No one ever feels like I feel you
Oh, no one understands the way you do
And I'll see through youOh, no one ever knows how I love you
No one ever feels like I feel you
Oh, no one understands the way you do
I'll see through youEverybody loves the way, they do
Oh, everybody cares a lot, they do
Everybody knows our love will do
And they'll see through youNo one ever knows how I love you
No one ever feels like I feel you
Oh, everybody knows, and they'll see...
see through you
