The Jury

Morphine

The defendant will be remanded to the bail if and
Fresh mint in sparkling water and fresh lime so nice
Serve two to four years in the county correctional institution
New mowed lawn a hammock kids playing in a sprinkler
In Canyon City or until such time as the defense
Carefree beautiful woman entwined, sand, fruits, sunshine
Can see no reason for leniency in this case considering
Candlelight red wine, a Caesar salad all in sparkling
An example to others who might be likewise tempted to
Friends, woman's lips, dogs, canaries, woman's hips
And as for you Miss, "Will you please rise and
Face the tranquility and all it's charm?"
And all in blessed privacy, that blessed privacy
All in blessed privacy
