

Tick, Tick, Bang

Prince

Ooh, I can't hold it
Ow! Bang, B-B-bang, bang
Bang. You, yeah.
You're such a big tease, you get me all excited,
All excited and then you go home.
You're like ice cream,
Oh, I got to eat ya, got to eat ya, before you're all gone. You're such a bombshell,
And if I ever get ya, ever get ya, ever get ya,
There's no telling how long I'd last
Before I tick, tick bang all over you
Tick, tick-a-tick, bang, bang all over you
Tick, tick-a-tick, bang, bang, bang, tick, bang, bang You ain't no cheap thrill,
Every time you tick I'd rather you bang,
But you leave me in a fire sweat (leave me in a fire sweat)
You're like a good pill
All I need is to, and I'm so into you, you're the best stuff that I could get. You're such a bombshell
If I ever get ya, ever get ya, ever get ya,
There's no telling how long I'd last.
Before I tick, tick, bang, all over you
All over you, tick, all over you, tick, bang, bang, bang, bang, bang, bang Ooh, I can't hold it.
Oh, it's getting all over me.
Ooh, I can't hold it.
Oh, it's getting all over me. You're such a queen bee
Let me taste your honey, taste your honey, taste your honey, for it go bad
You're so slippery
Like this chain around my hip, I want a 24 K relationship.
So baby don't spit me out, tick, tick, bang, all over you.
Tick, tick-a-tick, bang
Oh, I can't hold it. Oh, it's getting all over me. You're such a bombshell
If I ever get ya, ever get ya, ever get ya,
There's no telling how long I'd last.
Before I tick, tick-a-tick, bang, bang, bang, bang, all over you
All over you, bang, all over you, tick, tick, bang, all over you
Tick, tick, bang, all over you. tick, tick, bang, all over you
All over, bang, all over, bang, all over, tick, bang
