

Don't Stop The Music

Jamie Cullum

It's gettin' late
I'm making my way over to my favorite place
I gotta get my body moving
Shake the stress away
I wasn't looking for nobody when you looked my way
Possible candidate (yeah) Who knew,
That you'd be up in here looking like you do
You're making staying over here impossible
Baby I must say your aura is incredible
If you don't have to go, don't you know what you started
I just came here to party
But now we're rockin' on the dance floor
Acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Chest to chest
And now we're face to face I wanna take you away
Lets escape into the music
Dj let it play
I just can't refuse it
Like the way you do this
Keep on rockin' to it
Please don't stop the
Please don't stop the music I wanna take you away
Lets escape into the music
Dj let it play
Like the way you do this
Keep on rockin' to it
Please don't stop the music
Please don't stop the
Please don't stop the
Please don't stop the music Please don't stop the music
Please don't stop
Please don't stop
Please don't stop
Please don't stop the music I said, Baby, Baby are you ready 'cause it's getting close
Don't you feel the passion ready to explode
What goes on between us no one has to know

This is a private show (oh) Do you know what you started

I just came here to party

But now we're rockin' on the dance floor

Acting naughty

Your hands around my waist

Just let the music play

We're hand in hand

Chest to chest

Now we're face to face 'Cause I wanna take you away

Let's escape into the music

Dj let it play

I just can't refuse it

Like the way you do this

Keep on rockin' to it

Please don't stop the

Please don't stop the music I wanna take you away

Let's escape into the music

Dj let it play

Like the way you do this

Keep on rockin' to it

Please don't stop the music

Please don't stop the

Please don't stop the

Please don't stop the music
