

# Golden Ring

George Jones

In a pawn shop in Chicago  
On a sunny summer day  
A couple gazes at the wedding rings  
There on display She smiles n' nods her head  
As he says, "Honey that's for you,  
It's not much, but it's the best  
That I can do"[Chorus]  
Golden rings (golden ring) with one tiny little stone  
Waiting there (waiting there) for someone to take you home  
By itself (by itself) it's just a cold metallic thing  
Only love can make a golden wedding ring In a little wedding chapel later on that afternoon  
An old upright piano plays that old familiar tune Tears roll down her cheeks  
And happy thoughts run through her head  
As he whispers low, "With this ring, I thee wed"[Chorus]  
Golden ring (golden ring) with one tiny little stone  
Shining ring (shining ring) now at last it's found a home  
By itself (by itself) it's just a cold metallic thing  
Only love can make a golden wedding ring Ooo-ooo In a small two room apartment  
As they fought their final round  
He says, "You won't admit it,  
But I know you're leavin' town" She says, "One thing's for certain,  
I don't love you any more"  
And throws down the ring  
As she walks out the door [Chorus]  
Golden ring (golden ring) with one tiny little stone  
Cast aside (cast aside) like the love that's dead and gone  
By itself (by itself) it's just a cold metallic thing  
Only love can make a golden wedding ring In a pawn shop in Chicago  
On a sunny summer day  
A couple gazes at the wedding rings  
There on display,  
Golden ring
