

# Kitty Pride

## Big Deal

Are you giving up?  
Have you had enough?  
One last chance in your hands  
One less voice in your head  
The chemicals, do they keep you calm?  
Who's around when you're down?  
Mom and dad couldn't work it out  
I'm at your door, begging you to come  
The last time we'll have fun  
One last night we'll feel young  
It's not over  
Just starting it over  
We'll get over  
Getting olderWhat about, what about the sun?  
What about all the things you love?  
You're one of us  
You're one of us, you're one of us  
Isn't that enough?  
It's not over  
Just starting it over  
We'll get over  
Getting older  
It's not over  
Just starting it over  
We'll get over  
Getting older
