Big Brother

Stevie Wonder

Your name is Big Brother
You say that you're watching me on the tele
Seeing me go nowhere
Your name is Big Brother
You say that you're tired of me protesting
Children dying everyday
My name is Nobody

But I can't wait to see your face inside my doorYour name is Big Brother You say that you got me all in your notebook

You're writing it down everyday

Your name is I'll See Ya

I'll change if you vote me in as the pres

The president of your soul

I live in the ghetto

You just come to visit me 'round election timeI live in the ghetto

Someday I will move on my feet to the other sideMy name is Secluded, we live in a house the size of a

matchbox

Roaches live with us wall to wall You've killed all our leaders I don't even have to do nothin' to you You'll cause your own country to fall
