Set My Soul on Fire

Diamond Head

Lost my head while sleeping with your madness
Your ink and bones are the weapons of disasters
Hate the witness, silence in oppression
Burn their scriptures, write your gospel, change the nationYeah, yeah, set my soul on fire
Yeah, yeah, set my soul on fireReign on earth let the puppets kill their masters
The silver nooses fill the streets before the rapture
Blacked out windows bleached for new redemption
The city weeps, the pieces set, reclaim the nation
Yeah, yeah, set my soul on fire
Yeah, yeah, set my soul on fireBefore today I lit this fire
Before this day I Iived this lieUnmarked doors, no more tribute to the tower
Now their strings are cut, the people have the powerYeah, yeah, set your soul on fire
Yeah, yeah, set that soul on fire
Before today I lit this fire
Before this day I Iived this lieYeah set my soul
Yeah set my soul on fire
