

# Feels So Good (feat. Cee Lo Green)

## Dionne Warwick

can't nothing hold me down  
theres nothing in my way  
I have some problems y'all  
but that was yesterday  
there was a hole I could find  
couldn't see myself I was blind  
almost as if I never see sunshine  
but this mornig will change my mind  
and I feel so good  
right now  
This feels nice  
I can feel this way  
how long?  
for the rest of my life  
(ah-ha)  
all that walk and talk  
Oh yeah im almost there  
my sisters feeling small  
(I was I was)  
I've got enough to share
