You Remind Me of Something

R. Kelly

You remind me of something
I just can't think of what it is[Chorus]
You remind me of my jeep, I want to ride it
Something like my sound, I want to pump it
Girl you look just like my cars, I want to wax it
And something like my bank account
I want to spend it, babyIt's something about your love that's got me going crazy
Baby, you know I want you real bad
And girl I really like your freaky style
How can I be down with you?
So get a little closer to my ride
I want to get to know you lady
And hip me up on how to get inside you
Listen, pretty babyI want to roll it, roll it, roll it, roll it
Is all I want to do for you baby
Girl, it's something kind of sexy
Goin' on about you babe[Chorus: x2]Now I would like to take you on a ride tonight
Girl, you know we'll have so much fun
And give you everything your body needs
Satisfaction guaranteed
So pull up to my bumper and let the system sound
Girl, I bet cha' I can drive you crazy
And let me be the one to drop you off
Babe, listen to meI want to roll it, roll it, roll it, roll it
Is all I want to do for you baby
Girl, it's something kind of sexy
Goin' on about you babe[Chorus: x2]Don't be alone, don't be alone
I'm comin' through your door
Turn off the lights, turn off the lights, baby
It's something about this moment[Chorus: x3]
