All My Life

Karla Bonoff

Am I really here in your arms
This is just like I dreamed it would be
I feel like we're frozen in time
And youe the only one I can seeAnd hey
I've looked all my life for you
Now you're here
And hey
I'll spend all my life with you
All my lifeAnd I never really knew how to love
I just hoped somehow I'd see
Oh I asked for a little help from above
Send an angel down to meAnd hey
I've looked all my life for you
And now you're here
And hey
I'll spend all my life with you
All my lifeI never thought I could feel a love so tender
I never thought I could let those feelings show
But now my heart is on my sleeve
And this love will never leave
I know I knowAnd hey
I've looked all my life for you
And now you're here
And hey
I'll spend all my life with you
All my life
