

Blind To You

[Collie Buddz](#)

Looking at some broken pictures, pictures of the nice things that we had.
all they show me is the good times somehow focused on the bad. Tired of this way I'm feeling didn't think that
we would end this way.
Even though I never did deserve you never thought I would be alone.
I don't wanna to be alone.
Never thought I would be... What if I was to say that I still loved you anyway, would it change your mind?
What If I were to changed would you still want me anyway?
Why is love so blind?
Nanana Nanana Nanana Nanana Paint another picture of you even if its only in my head.
as long as I can see you somewhere I can hear everything you said.
But its only in my head.
Never thought I would be...
What if I was to say that I still loved you anyway, would it change your mind? What If I were to changed would
you still want me anyway?
Why is love so blind?
Nanana Nanana Nanana Nanana Looking at these broken pictures.
Missing all the good times that we had.
I know you think I don't deserve you.
Never thought I would be alone.
I don't wanna be alone Never thought I would be...
What if I was to say that I still loved you anyway, would it change your mind?
What If I were to changed would you still want me anyway?
Why is love so blind?
Nanana Nanana Nanana Why is love so blind Nanana Nanana Nanana Why is love so blind
