

Ti amo ti amo

Alexia

Ti amo ti amo
I love you
Ti amo ti amo
I'm crazy for youTi amo ti amo
I love you
Ti amo ti amo
I'm crazy for youThe way you look at me
The way you love me
The way you look around
Can buy my soulMy love is not a game
It's something special
It would never be the same
Without you boyAgain and again and again
I love you babeTi amo ti amo
I love you
Ti amo ti amo
I'm crazy for youThe rain is falling down
Over the window
My life is cloudy now
Without your loveSo do the best you can
To be my lover
And tell me why you want
To walk awayAgain and again and again
I need you babeTi amo ti amo
I love you
Ti amo ti amo
I'm crazy for youOnly you can make me wonder
Only you can make me cryTi amo ti amo
I love you
Ti amo ti amo
I'm crazy for youTi amo ti amo
I love you
Ti amo ti amo
I'm crazy for youI'm crazy for you
