

# Raise Your Weapon

Greta Svabo Bech

Rippin' my heart was so easy, so easy  
Launch your assault now, take it easy  
Raise your weapon, raise your weapon  
One word and it's over  
Rippin' through like a missile  
Rippin' through my heart  
Rob me of this love  
Raise your weapon, raise your weapon and it's over  
Love your ego, you won't feel a thing  
Always number one  
The pen with a bent wrist crooked king  
Sign away our peace for your war, one word and it's over  
Dropping your bombs now  
On all we've built  
How does it feel now to watch it burn, burn, burn?  
Raise your weapons, raise your weapons and it's over  
Rippin' through like a missile  
Rippin' through my heart, rob me of this love  
Raise your weapon, raise your weapon and it's over  
How does it feel now to watch it burn, burn, burn?  
Rippin' my heart was so easy, so easy  
Launch your assault now, take it easy  
Raise your weapon, raise your weapon  
One word and it's over  
Rippin' through like a missile  
Rippin' through my heart  
Rob me of this love  
Raise your weapon, raise your weapon and it's over  
Love your ego, you won't feel a thing  
Always number one  
The pen with a bent wrist crooked king  
Sign away our peace for your war, one word and it's over  
Dropping your bombs now  
On all we've built  
How does it feel now to watch it burn, burn, burn?  
Raise your weapons, raise your weapons and it's over
