Pick You Up

Powderfinger

When you are set to throw in your hand
When you are far from home
When what you believe is buried in your hands
When you feel outgrownI'll be the one to pick you up again
When you decide, you've had enough of it
I'll be the one, I'll be the oneWhen your speech is slow
When your eyes are closed
When you feel betrayed
When your heart is frayed
When your feet are cold
When your sights are lowI'll be the one to pick you up again
When you decide, you've had enough of it
I'll be the one, I'll be the one
