

Blessed By A Nightmare

Autopilot Off

Hands up and don't you make a sound

Shotgun is pointed at me now

It just might blow me away

So here's all I have

It isn't much but please

All I ask is

Let me walk away

Just then I thought I heard the soundI never had this feeling so cold

I stood their freezing

And waiting

I never had this feeling so cold

It seemed too easy

It seemed too easy to be goneHands out before I kiss the ground

Shotgun still pointed at me now

Ready to blow me away

And I don't think I will make it home tonight

Don't think I will make it out alive

That's when I then I thought I heard the soundI never had this feeling so cold

I stood their freezing

And waiting

I never had this feeling so cold

It seemed too easy

It seemed too easy to be goneEach night I dream it all again

Steel barrel up against my head

Each night I never get away

It's shots fired shots fired shotsIf the light should take me

Then tonight I'll be freeI never had this feeling so cold

I stood their freezing

And waiting

I never had this feeling so cold

It seemed to easy

It seemed to easy to be goneI'm blessed by a nightmare nightly

And when I'm dying it reminds me

I grab the air now and hold it tightly

Remember everything I love

Then I'm gone
