

Que Sera

Justice Crew

At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡? Yesterday is history oh!
You gotta get through it (Hei!)
Tomorrow is a mystery so
Let's just do it (Hei!) And even when the rain falls
You and I, will stand tall (Hei!)
No matter what you go through
I'll never leave you So you gotta be strong (Strong)
Live by the words of the song (Song)
Together is where we belong (Long)
Never stop dreaming
Keep holdin' on At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡? When it's been a long day
Had enough, givin' up it ain't okay
We don't care what the world say
We spread love it's the only way So you gotta be strong (Strong)
Live by the words of the song (Song)
Together is where we belong (Long)
Never stop dreaming
Keep holdin' on At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡? We keep falling but the

World keeps spinning and I
Might stop winning
Just as long as I got you by my side We keep falling but the
World keeps spinning and I
Might stop winning
But I know that we're gonna be alright At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡? At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡? At the end of the day
Some you win, some you don't
So I'm glad that I'm here
With some friends that I know
Always there with a smile
Saying you're not alone
Saying la la la la
Que serÃ¡?
