

Just Let Go

Mae

Let It Go The snow blows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation and it looks like I'm the Queen
The wind is howling like the swirling storm inside
Couldn't keep it in, heaven knows I tried Don't let them in, don't let them see
Be the good girl
You always had to be
Conceal, don't feel
Don't let them know
Well, now they know Let it go
Let it go
Can't hold you back anymore
Let it go
Let it go
Turn my back and slam the door
i don't care what their going to say
let the storm rage on, the cold never bothered me anyway It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all Let it go
Let it go
I'm one with the wind and sky
Let it go
Let it go
you'll never see me cry And here I stand
And here I'll stay
let the storm rage on My power flurries through the air into the ground
My soal is spiraling in frozen fractals all around
and one thought crystallizes like an icy blast
im never going back the past is in the past Let it go
Let it go
and I'll rise like the break of Dawn
Let it go
Let it go
that perfect girl is gone
And here I stand
in the light of day
let the storm rage on, the cold never bothered me anyway
