Just Let Go

Mae

Let It GoThe snow blows white on the mountain tonight

Not a footprint to be seen

A kingdom of isolation and it looks like I'm the Queen

The wind is howling like the swirling storm inside

Couldn't keep it in, heaven knows I triedDon't let them in, don't let them see

Be the good girl

You always had to be

Conceal, don't feel

Don't let them know

Well, now they knowLet it go

Let it go

Can't hold you back anymore

Let it go

Let it go

Turn my back and slam the door

i don't care what their going to say

let the storm rage on, the cold never bothered me anywayIt's funny how some distance

Makes everything seem small

And the fears that once controlled me

Can't get to me at allLet it go

Let it go

I'm one with the wind and sky

Let it go

Let it go

you'ill never see me cryAnd here I stand

And here I'll stay

let the storm rage on My power flurries through the air into the ground

My soal is spiraling in frozen fractals all around

and one thought crystallizes like an icy blast

im never going back the past is in the pastLet it go

Let it go

and I'll rise like the break of Dawn

Let it go

Let it go

that perfect girl is gone

And here I stand

in the light of day

let the storm rage on, the cold never bothered me anyway
