

# Still of the Night

## Halestorm

In the still of the night  
I hear the wolf howl, honey  
Sniffing around your door  
In the still of the night  
I hear my heart beating heavy  
Telling me I gotta have more  
In the shadow of night  
I see the full moon rise  
Telling me what's in store  
My heart start shaking  
My body started aching  
And I just can't take no more  
No, no  
Ooo, baby  
I just wanna get close to you  
And taste your love so sweet  
And I just wanna make love to you  
Feel your body heat  
In the still of the night  
In the still of the night  
Over here, baby  
In the heat of the day  
I hang my head down low  
Hide my face from the sun  
Through the light of the day  
Until the evening time  
Waiting for the night to come  
Ooo, baby  
In the still of the night  
In the cool moonlight  
I feel my heart is aching  
In the still of the night  
Ooo baby, ah  
I can't keep away, no  
Can't keep away  
I can't keep away  
No, no, no  
In the still of the night  
I hear the wolf howl, honey  
Sniffing around your door  
In the still of the night  
I hear my heart beating heavy  
Telling me I gotta have more  
Ooo, mama  
Now I just wanna get close to you  
And taste your love so sweet  
And I just wanna make love to you  
Feel your body heat  
In the still of the night, ooo yeah  
In the still of the night  
I'd be sneaking around your door  
Still of the night, still of the night, still of the night

Still of the night, still of the night, still of the night  
Still of the night, still of the night, still of the night
