

# The Big Sleep

## Toh Kay

How can it be the last show?  
How can it be?  
How can it be the last show?  
How can it be?  
No more spotlights  
Coming down from heaven  
It's a goodbye

It's curtains double time  
Not even out of my dress  
And already my voice is fading  
Goodbye my dears  
And into the big sleep
