Magazine

Pedro the Lion

This line is metaphysical
And on the one side, on the one side
The bad half live in wickedness
And on the other side, on the other side
The good half live in arrogance
And there's a steep slope
With a short rope
This line is metaphysical
And there's a steady flow
Moving to and froOh, look you earned your wings
Are you an angel, now
Or a vulture
Constantly hovering over
Waiting for a big mistakeOh, my God, what have I done?
Oh, my God, what have I done?Wouldn't you love to be
On the cover of a magazine?
Healthy skin, perfect teeth
Designed to hide what lies beneathI feel the darkness growing stronger
As you cram light down my throat
How does that work out for you
In your holy quest to be above reproach?
