Honest Man

Lilacs & Champagne

My hands are dirty
My collar blue
But I got love strong enough for you.
If you were my woman
And I was your man
I'd love you as strong, as hard as I can
Cause I'm an honest man,
Make an honest wage
I don't got no treasures to get in my way.
But if you were my woman
And I was your man

I'd give you my love, it's all that I have
I won't try to be something I ain't
You can't trace my bloodline to princes and saints.
If you were my woman
And I was your man
I'd love you forever, with all that I am
I'd love you forever, with all that I am
I'd love you forever, with all that I am
