Girl You Know It's True

MoveTown

In love, in love, in loveGirl you know it's true (girl)
Oh, oh, oh, I love youI'm in love with you, girl
Cause I have on my mind
You're the one
I think about most everytime
And when you pack a smile
In everything you do
Don't you understand,girl,
This love is trueYour soft, silky hand all sweet and thin
It makes me want to hold
It again and again
You lighten up my day and
That's oh so true
Together we're one,
Separated we're twoTo make you all mine,
All mine is my desire
Cause you contain a
Quality that I admire
You're pretty and simple,
You rule my worldSo try to understand
I'm in love girl, in love
I'm so in love girl, in love
I'm just in love girl, and this is true[CHORUS]
Girl you know it's true, oh, oh, oh
I love you
Yes you know it's true, oh, oh, oh
I love you (girls I love you)
Girl you know it's trueMy love is for you
Girl you know it's true
My love is for youIt's a funny thing girl I can't explain
My eyes light up
When I hear your name
When you sweet, sweet voice rings in
My ears
I just can't wait girl, until you're here
And your positive outlook
I really enjoy
It's just like a curse between
A girl and a boyThese feelings I get, I often wonder why

So I though I might discuss this,
Girl, just you and I
It's not what you wear or
That I think you're a star
The reason that I like you girl is for
What you are
If I said I'd think about it,
You rule my worldSo try to understand
I'm in love girl, in love
I'm so in love girl, in love
I'm just in love girl, in love
And this is true[CHORUS]Girl you know it's true
My love is for you
Girl you know it's true
My love is for youGirl you know it
Yes you know it's
TRUE!
