

# A Stranger's Just a Friend

[Jim Reeves](#)

If ever your life is lonely  
If ever your feeling low  
There's one thing you must remember  
A stranger's just a friend you do not know. I'll pass along this way just one time only  
A sweeping moment in eternity  
Why should I spend my life alone and lonely  
If just a word of friendship is the key A warm smile can bring true love  
A warm heart can make it so  
There's no need for being lonely  
A stranger's just a friend you do not know.  
No Matter where you go of this you can be sure  
A stranger's just a friend you do not know...
