God Of Glory

Mark Schultz

I have felt the beauty of Your holiness
But I have lost the passion that I once possessed
You're my savior, my redeemer, keeper of my heart forever
I come empty, I come lost and broken
Open up the heavens, Lord and show Your glory
God of glory, open up the heavens now
Open up the heavens, Lord and rain down mercy
God of mercy, let Your love come raining down
I have felt Your spirit washing over me
In Your presence I have fallen to my knees
Ever faithful, all forgiving, You are love unending
Open up the heavens, Lord and show Your glory
God of glory, open up the heavens now
Open up the heavens, Lord and rain down mercy
God of mercy, let Your love come raining down
Help this tired and empty soul and let me breathe again
Hallelujah, hallelujah, hallelujah, hallelujah
Open up the heavens, Lord and show Your glory
God of glory, open up the heavens now
Open up the heavens, Lord and rain down mercy
God of mercy, let Your love come raining down
God of glory, God of glory
God of glory, open up the heavens now
God of glory, God of glory
God of glory, God of glory
God of glory, open up the heavens now
God of mercy, let Your love come raining down
