

We Don't Have to Take Our Clothes Off

Jermaine Stewart

Not a word, from your lips
You just took for granted that I want to skinny dip
A quick hit, that's your game
But I'm not a piece of meat, stimulate my brain
Night is young, so are we
Let's get to know each other better, slow and easily
Take my hand, let's hit the floor
Shake our bodies to the music maybe then you'll score

So come on baby, won't you show some class
Why'd you wanna move so fast?

We don't have to take our clothes off to have a good time
Oh no
We could dance and party all night (all night, we could dance all night))
And drink some cherry wine
Uh huh
We don't have to take our clothes off (no no no) to have a good time
Oh no
We could dance and party all night (all night) and drink some cherry wine
Uh huh

(Na-na-na-na-na-na-na-na) x4

Just slow down if you want me
A man wants to be approached cool and romantically
I've got needs just like you
Give me conversation
Good vibrations through and through

So come on baby, won't you show some class
Why'd you wanna move so fast?

We don't have to take our clothes off (no, no) to have a good time
Oh no
We could dance and party (all night) all night (all night)
And drink some cherry wine
Uh huh
We don't have to take our clothes off to have a good time
Oh no

We could dance and party all night (all night)

And drink some cherry wine (cherry wine)

Uh huh

(Na-na-na-na-na-na-na-na) x4

So come on baby, won't you show some class

Why'd you wanna move so fast?

We don't have to take our clothes off (oh no) to have a good time

Oh no

We could dance and party (party) all night (all night) and drink some cherry wine

Uh huh

We don't have to take our clothes off (no) to have a good time

Oh no (oh no)

We could dance and party (party) all night and drink some cherry wine (cherry wine)

Uh huh

(Na na na na na na na na) x4

We don't have to take our clothes off
