

Monkey Kong

A

There's nothing real about your fight
Nothing in the shit you write
You've got charisma in your hair
The make up lady put it there, and it's
 $(1+2+3+4) \times (2+2+3+4) \times (2 \times 3) + (2+4) = 666$
One, one plus two is three, can't we get along?
You bring it on, the Monkey Kong
It's just a name, they got it wrong
Every second, every day
Every minute that you waste
You're not every thing you seem
Keep on fighting for the right
Keep it rocking every night
That's exactly what I mean
It's all gone wrong
They called it Monkey Kong
You're the captain of the team
You're the new king of the scene
You hire a guy to keep you punk
Laugh it up 'cause you don't know you're sunk
 $(1+2+3+4) \times (2+2+3+4) \times (2 \times 3) + (2+4) = 666$
And it's one, one plus two is three, can't we get along?
You bring it on, the Monkey Kong
It's just a name, they got it wrong
Every second, every day
Every minute that you waste
You're not every thing you seem
Keep on fighting for the right
Keep it rocking every night
That's exactly what I mean
It's all gone wrong
They called it Monkey
 $1 + 2 = 4$, wrong, try again
 $1 + 2 = 2$, that's incorrect
How high can you try?
How high can you try?
How high can you try?
How high can you try?
How high can you try?

How high can you try?
How high can you try?
How high can you try?
Every second, every day
Every minute that you waste
You're not every thing you seem
Keep on fighting for the right
Keep it rocking every night
That's exactly what I mean
It don't matter what you say
It won't change it anyway
You're not what you want to be
Every minute that you waste
When you're taking on the place
That's exactly what I mean
Yeah, it's all gone wrong
They called it Monkey Kong
Monkey Kong
They called it Monkey Kong
