Dad's Not Home

The Memories

Ahhhhh
Dads not home, its safe to bone
make it grow, turn off your phone
cause moms at work, grandmas at church
said moms not sheer, grab yourself a beer if you wannaDads not home, its safe to bone
make it grow, turn off your phone
cause all the dudes at school, they all think im cool
cause dads not home, and its safe to bone if you wanna
mommas at that work, grandmas at that church
said moms not sheer, so grab yourself a beer if you wannaDads not home, its safe to bone
make it grow, turn off your phone
