

Bummer

Blooper

I loved this person who didn't love me
I stuck around, hoping that they would see
 Unwilling to loose -Reluctant to care
So confident in the substances we'd share
There was a ghost who haunted my head
Paid close attention to every word he said
Gave him perfection gave all I could give
But what he wanted -was for me not to live
 Blank and so beautiful- beige and benign
You're pulling ahead - left me falling behind

Bummer

 Blank and so beautiful beige and benign
You're pulling ahead left me I'm falling behind

Bummer

 Blank and so beautiful- beige and benign

 You pulled ahead - left me failing

 I threw a party

 But nobody came

 I threw a party and I was never the same

 I threw a party

 But nobody came

 I threw a party band I was never the same
