

# Not Anymore

## LeToya

This is dedicated to  
this this this is dedicated to(to)  
mmmm....well if you feelin' like i'm feelin' this is dedicated to you  
well i've been the super girlfriend let you think that nothing bother me  
like when you go out with your friends and let people bring me back the stories  
the stories 'bout them other girls like this one, and that one, and those three  
so when I ask a simple question, "Where were you last night?" you wanna yell and scream and try to flip it on me  
no, no, no Is anybody else just fed up?  
if you heard it all befoe, foe, foe  
then right where you are just get up

Chorus(2x)  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it anymore  
I don't want it anymore  
cuz I dried my eyes and I realized I deserve somebody that'll treat me right  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it any more  
I don't want it anymore  
because I know my worth  
so you can keep that drama, I don't want it anymore  
oh, oh, oh, oh not anymore  
mmmm...no more settling for less  
I'm looking for the kinda man  
that gonna give his best, cuz i'm giving my best  
a man that wants to cherish this  
and knows exactly how to woo me  
not some silly little boy who wants my goodies cuz he took me to the movies  
no, no, no  
Is anybody else just fed up?  
if you heard it all befoe, foe, foe  
then right were you are just geeet up  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it anymore

I don't want it anymore  
cuz i've dried my eyes and I realized  
I deserve somebody that'll treat me right  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it anymore  
i don't want it anymore  
cuz I know my worth so you can keep that drama I don't want it anymore  
oh,oh,oh,oh not anymore  
oh,oh,oh,oh walking out the door  
oh,oh,oh,oh no, not anymore  
oooohhh(not anymore)  
ooooo(not anymore)  
ohhhhh(not anymore)  
not no more,not no more  
oh,oh,oh,oh nooo  
this is dedicated to(said i'm leaving today)  
this this this is dedicated to (wipe the tears from my face)  
mmmmmm....well if you feelin' like i'm feelin' this is dedicated to you  
someone say I don't want it any more  
oohh someone say I don't want it anymore noooo  
I don't want it anymore  
cuz I dried my eyes and I realized I deserve somebody that'll treat me right  
someone say I don't want it anymore  
I don't want it anymore  
someone say I don't want it anymore  
I don't want it anymore  
because I know my worth so you can keep that drama I don't want it any more
