Emmaus

Brian Free

Who is Jesus Christ?
The question echoes down Emmaus Road
Dead or raised to life
The same doubts spoken first so long ago

When a stranger came
To two men on their journey
And it was not long before
Their broken hearts were burning

Somewhere between where you are and Emmaus
A stranger wants to come and walk with you
Somewhere along the way your heart will be burning
Drawn into the holy flame of truth

Right now He may be a stranger to you
What will he be when your journey's through
Somewhere between where you are and Emmaus
The Savior wants to walk with you

Some ask Him in to stay
As night falls on their own Emmaus Road
Some push Him away
And never see the mystery unfold

But those who take to heart
The word that has been spoken
As He breaks the bread of life
Their eyes will open

Somewhere between where you are and Emmaus
A stranger wants to come and walk with you
Somewhere along the way your heart will be burning
Drawn into the holy flame of truth

Right now He may be a stranger to you
What will he be when your journey's through
Somewhere between where you are and Emmaus
The Savior wants to walk with you

Somewhere between where you are and Emmaus
A stranger wants to come and walk with you
Somewhere along the way your heart will be burning
Drawn into the holy flame of truth

Right now He may be a stranger to you
What will he be when your journey's through
Somewhere between where you are and Emmaus
The Savior wants to walk with you

The Savior wants to walk with you
