Is there a god
In heaven, on earth
Do you know?
Is there a god
In heaven, on earth
I don't know
Is there a friend
In heaven, on earth
Do you know?
Is there a friend
In heaven, on earth
I don't knowSometimes, sometimes
I loved someone
Sometimes, sometimes
Someone loved me
That's all I knowIs there a new life
In heaven, on earth
Do you know?
Is there a new life
In heaven, on earth
I don't know
Is there a sense of life
In heaven, on earth
Do you know?
Is there a sense of life
In heaven, on earth
I don't knowSometimes, sometimes ...Are we the meaning
Or do we live by random
Do you know?
Are we the meaning
Or do we live by random
I don't know
Shall we be elevated
Or pushed into the fire
Do you know?
Shall we be elevated
Or pushed into the fire
I don't knowSometimes, sometimes ...
