# Belle From Barcelona

## Dean Martin

(Eyes exciting very amoroso
Lips inviting real delicioso)
We sailed in to the port of Barcelona
And I could see her standing there
As I strolled by her verandah
She tossed me a rose from her hair
The steamer was anchored for an hour
And she seemed like a dream come true
I stopped and picked up the flower
Not knowing it meant I love you
O-O-Le that belle from Barcelona way
If you could see her o-o-le
You'd know I only needed to say o-le
Hey muchacha
She showed a lot of muchacha
She kissed me and ooo-cha-cha
I knew I was there to stay
Oh chiquita you are muchilina

Oh chiquita you are so bonita
Eyes exciting very amoroso
Lips inviting very delicioso
O-O-Le that belle from Barcelona way
If you could see her o-o-le
You'd know I only needed to say o-le
Hey muchacha
She showed a lot of muchacha
She kissed me and ooo-cha-cha
I knew that I was there to stay
Oh chiquita you are muchilina
Oh chiquita you are so bonita
Eyes exciting very amoroso
Lips inviting real delicioso
