

# Cool Joe

## George Clinton

I once had a friend  
His name was Joe  
Joe sho' was cold  
He said I'll be a mack  
I drive a Cadillac  
Carry money in a sack  
Joe  
Right on, Joe  
Joe sho' was cold  
As time went on  
Seen Joe  
Joe sho' was cold  
He drives a Cadillac.  
With three girls in the back  
Girls in the back  
He carried money in a sack  
He had his hair laid back  
Right on Joe  
Joe  
Joe sho' was cold  
And as time went on  
Seen Joe  
And Joe still was cold  
He said my rent is due  
And my car note too  
But I ain't worried  
Cos' my women will have it by afternoon  
Right on, Joe  
Joe sho' was cold  
Cold Joe  
On the other side  
Of Cool Joe  
Cold Joe  
And as time went on  
I got worried about Joe  
And I asked Joe  
I said why you spent all your money  
On the blow  
He said cos I'm a mack

I drive a Cadillac  
With three girls in the back  
And you see I like it like that!  
Right on Joe  
What cha gon' do, Joe  
What cha gon' do  
As time went on  
Seen Joe  
This time Joe was all outta dough  
No Cadillac  
No girls in the back  
He had no money in a sack  
Joe  
Poor Joe  
What cha gon' do, Joe  
I thought I told you so  
Poor Joe  
What cha gon' do, Joe...
