Whatever I Do (Wherever I Go)

Hazell Dean

I fight the night
To be alone has never frightened me
Behind the light
The shadow of your memoryOh, who are you to turn the knife
I am not your sacrifice
Who are you when I can
Get you out of my life?Bet you didn't know
That I would pack away my things and go
And now it's true
Gonna get along in spite of youDon't want to hear your alibis
Don't want your part time compromise
Who are you when I can
Get you out of my life?Whatever I do, wherever I go
I'm never coming back to you
Whatever you do, wherever you go
I'm gonna get over youWhatever I do, wherever I go
I'm never coming back to you
Whatever you do, wherever you go
I'm gonna get over youI stand alone
Another victim of your fantasies
I face the world, ooh
I'm searching for my destinyOh, who are you to tie me down
When you were not always around
Who are you when I can
Get you out of my life?Whatever I do, wherever I go
I'm never coming back to you
Whatever you do, wherever you go
I'm gonna get over youWhatever I do, wherever I go
I'm never coming back to you
Whatever you do, wherever you go
I'm gonna get over you, over youOh, who are you to turn the knife
I am not your sacrifice
Who are you when I can
Get you out of my life?Whatever I do, wherever I go
I'm never coming back to you
I'm never commin' back, babe
Whatever you do, wherever you go
I'm gonna get over you, over youWhatever I do, wherever I go
I'm never coming back to you

I'm never commin' back, babe
Whatever you do, wherever you go
I'm gonna get over youWhatever I do, wherever I go
I'm never coming back to you
Whatever you do, wherever you go
I'm gonna get over you, over youWhatever I do, wherever I go
I'm never coming back to you
