

# Key To The Highway

Freddie King

I've got the key to the highway  
Billed out and bound to go  
Gonna leave here runnin'  
Walking is most too slow I'm going back, back to the border  
Where I'm better known  
I'm going back to the border, baby  
And all you can do is mourn When the moon peeps over the mountain  
Yes baby, I'll be on my way  
I'm gonna roll this highway until the break of day When I was so long, so long, baby  
Yes baby, I must say goodbye  
I'm gonna roam this highway until the day I die
