

Everything You've Done Before

Mano Le Tough

The Voice came to me from a far
and i held my heart in my hand
and i said can you please tell me something

and i held my heart in my hand
and i said can you tell me something
something of this Landand the Voice came to me from a far
and i held my heart in my hand
and i said somethingand the Voice came to me from a far
and i said something
and the Voice came to me from a far
and i said something
