

# Straight Line

## Hawk Nelson

Woke up from a dream  
With a song in my head  
I still hear the beat  
Can't remember what it said  
I think it went  
Oh, oh, oh, oh  
(Oh, oh, oh, oh)  
I've had time to sleep  
Now it's time to move on  
I won't wait until  
The moment is gone  
I'll get up and go, oh, oh, oh  
(Oh, oh, oh, oh)  
Oh, oh, oh, oh  
(Oh, oh, oh, oh)  
I'll step  
Into the light  
It's my time to shine  
I'm walking in a straight line  
Won't compromise  
The end in my sights  
I'm walking in a straight line  
I'm walking in a straight line  
I'm walking in a straight line  
So long apathy  
And goodbye regret  
No more wandering  
I know where I'm headed  
Oh, oh, oh, oh  
(Oh, oh, oh, oh)  
Yeah I know, oh, oh, oh  
(Oh, oh, oh, oh)  
I'll step  
Into the light  
It's my time to shine  
I'm walking in a straight line  
Won't compromise  
The end in my sights  
I'm walking in a straight line

I'm walking in a straight line  
I'm walking in a straight line  
(I won't bend)  
(Don't try)  
(I walk in)  
(A straight line)  
(No left)  
(No right)  
(I walk in)  
(A straight line)  
(I won't bend)  
(Don't try)  
(I walk in)  
(A straight line)  
(No left)  
(No right)  
(I walk in)  
(A straight line)  
I'll step  
Into the light  
It's my time to shine  
I'm walking in a straight line  
Won't compromise  
The end in my sights  
I'm walking in a straight line  
I'm walking in a straight line  
I'm walking in a straight line  
I'm walking in a straight line  
I'm walking in a straight line
