I Will Sing

Don Moen

Lord, You seem so far away
A million miles or more, it feels today
And though I haven't lost my faith
I must confess right now
That it's hard for me to pray
But I don't know what to say
And I don't know where to start
But as You give the grace
With all that's in my heart
I will sing, yes, I will praise, even in my darkest hour
Through the sorrow and the pain
I will sing, I will praise, lift my hands to honor You
Because Your word is true, I will sing
Lord it's hard for me to see all the thoughts
And plans You have for me, yes it is
But I will put my trust in You
Lord we made Your die to set me free
Oh thank God You did
But I don't know what to say
And I don't know where to start

But as you give the grace
With all that's in my heart
I will sing, I will praise, even in my darkest hour
Through the sorrow and the pain
I will sing, I will praise, lift my hands to honor You
Because Your word is true
I will sing, I will praise, even in my darkest hour
Through the sorrow and the pain
I will sing, I will praise, lift my hands to honor You
Because Your word is true, I will sing, I will sing, I will sing
Oh, we sing to You Lord
Oh, we sing to You Lord tonight
Halleluiah, we sing to You Lord
Oh, we lift our voices and sing to You
Worship You Lord, we sing to You Lord
We sing, we sing, We sing, we sing
Oh, we worship you Lord, oh, thank You Lord
I will sing, oh yes I will, I will sing
