

Girl I'M Gonna Get You

The Moffatts

Girl, I've been watching you
Wondering what's your name and could I get ya
I'm hoping that you feel the same
Baby what's on your mind??
Darlin' don't you know it's the perfect time
You know I'm gonna make you mine

Chorus

Girl I'm gonna get ya
You know I need you in my world
You know I'm gonna get ya
I'm begging you to be my girl
Eventhough you might be scared
I promise I'll be there
Girl I'm gonna get ya, Tonight
Now, that we're all alone
I'm lookin' in your eyes
Can you see me?
Girl, this is no surprise
I think I'm falling in love
Darlin' don't you know it's the perfect time
You know I'm gonna make you mine

Chorus

Don't you know I need you every time I see you
Don't keep me waiting, with my love on the line
When you are away from me, you're the only one I see
Girl I just can't seem nto get you off my mind

Chorus
