

# What a Child

CeCe Winans

Verse 1:

It started in a manger, but finished on the cross  
He knew from the beginning how it would end  
His purpose was to save all, his plan went perfectly  
His life paid the cost, he suffered every pain

So we could smile againChorus:

Oh What a Child, he came and died for love  
Oh What a King, Saviour from Everything  
No need to fear, be of good cheer

Christmas is for you and me

Oh, Christmas is for you and meVerse 2:

As we share this time, with friends and family  
Please let us remember the reason is Christ  
So give your gifts with joy, to those who are in need  
Let 'em live within your heart and spread peace  
Spread peaceRepeat ChorusBridge:

For He alone gives us life, His word gives us truth  
All men should follow him, The Babe from BethlehemRepeat chorus 3 times
