Warpaint (Acoustic)

Ivory Hours

only took a few days
till i was sorry
that you didnt wake up when i left you in the morning
there was blood on my tounge but it came with a warning
so i slipped out the back and saved us the warpaint
we dont fight we just
heard with silence
oh maybe we can sort it out
i dont buy this quiet violence
i, just wanna sort it out
lying through my teeth i told you it was okay
that you let him come back and kiss you in the doorway
i covered it up with blood red and jade green
so you wouldnt know how much you could hurt me
we don't fight we just
heard with silence
oh, it'll sort it out
i dont but this quiet violence
i, just wanna sort it out
we dont fight we just
heard with silence
oh, it'll sort it out
i dont buy this quiet violence
i, just wanna sort it out
we dont fight we just
heard with silence
oh, it'll sort it out
i dont buy this quiet violence
i, just wanna sort it out
