Hey-Hey-Hey-Hey

Little Richard

Going back to Birmingham
Way down in Alabama
Going back to Birmingham
Way down in Alabama, oh yeahMust be my old aunt Mary
And my good old uncle SamHey, hey, hey, hey
Hey, baby, hey child, hey now
Yes, tell me, baby
What's been wrong with you?Hey, hey, hey, hey
Hey, baby, hey child, hey now
Yes, tell me, baby
What's been wrong with you?Well, bye, bye, bye, baby, bye
So long, bye, bye, baby I'm gone
Well, bye, bye, bye, baby, byeWell, I'm hollerin' and screamin'
Baby, please come home
Yes, I'm hollerin' and screamin'
Don't leave me all aloneWell, I'm holl'rin', I'm screamin'
Baby, please come home
