

# Evil Twin

## Galactic Cowboys

It's not me messin' with your life  
Givin' you the trouble and strifeBlame it on my evil twinCheatin' at the game  
Not responsible for all your painBlame it on my evil twinWell, I know he's got my name  
But I swear we're not the sameBlame it on my evil twinSpreading the disease  
I'm just a product of societyBlame it on my evil twinI learned it from TV  
You blame it on your parents or policeBlame it on my evil twinI'm not to blame  
I'm not to blame  
I'm not to blameIt's not me messin' with your life  
Givin' you the trouble and strifeBlame it on my evil twinWell, I know he's got my name  
But I swear we're not the sameBlame it on my evil twinI'm not to blame  
I'm not to blame  
I'm not to blameBlame it on my evil twin  
I'm not a twin  
Blame it on my evil twin
